

MANAGING MY MOOLA

Set your employees on the path to financial well-being

The Problem

7 out of 10 South Africans run out of money before the end of the month.

This means that **70% of your employees** may be worrying about money, and not reaching their full potential at work.

The Solution

Set your employees on the path to financial well-being by enrolling them on eSTUDY's **Managing My Moola** course.

The course features the following:

- **Simple language** that is easy to understand
- **Relevant examples** that are specific to South African employees
- **Online** course that can be completed any time, anywhere and on any device
- **Accredited**, allowing your business to claim on its WSP, ATR and BEE Scorecards

Topics

-  Wages and salaries
-  Taxes and other deductions
-  Day-to-day banking and financial safety
-  Debts, loans and credit records
-  Savings, investments and retirement planning
-  Insurance
-  Personal budgeting
